A CHILD'S FAITH.  
"Now I lay me down to sleep," a little girl said.  
As, folded in white, on bedded knee, beside her little bed,  
She prattled through her lines and came to special dispensations  
Of blessings on her "pa" and "ma" and even Wil of her relations.  
And then, with thought of how we leaned upon One, great and good,  
She slipped again with deep concern, in childish, earnest mood:  
"Dear Lord, now take good care yourself, for if anything happened you, we'd only have McKelvey left; but, maybe he would do."

BECKHAM IN MAYSVILLE.

The Pretender Here Saturday Night to Unload His Little Speech.

The much-heralded Beckham party arrived in Maysville at 5:30 Saturday afternoon.  
They were met just outside of town by an escort of thirty-eight horsemen. The usurping Governor was entertained at dinner by Mr. and Mrs. Charles B. Poyntz, after which he was driven to the Central Hotel, where he addressed a large crowd, after which he went to the Opera-house, which was packed by 1,200 expectant people, at least half of whom were ladies.

At the conclusion of Mr. James Beckham's speech, Mr. Beckham was introduced by Mr. Thomas D. Slattery, and he was accorded a royal welcome.

With a view to forming some conclusions concerning Mr. Beckham's ability, the Lexington man listened to his entire speech. Contemplating it in a light undimmed by party passion or prejudice, we are forced to assert that its most impressive feature was its freedom from grammatical errors and from reasoning.

We believe that all persons who heard it, possessing even meager intellectual attainments, will agree with us when we say that it was an effort which would not have overtaxed the capacities of the average boy in the senior class of a High School.

Question Answered.

Yes, Asquith Flower still has the largest sale of any medicine in the civilized world. Your other and grandmothers never thought of using anything else for Indigestion or Biliousness. Indigestion, Biliousness, Headache, Stomachic, Nervous Prostration or Heart Failure, etc. They used Asquith Flower to clean out the system and stop formation of such poisons, regulate the action of the liver, stimulate the nervous and digestive system, and that is all they took when feeling dill and had with headache and other aches. You only need a few doses of Green's Asquith Flower in liquid form, to make you satisfied there is nothing else on the market with you. For sale by J. C. Poirer.

"The growing practice of using the

army to repress labor," a favorite expression

of the careless social agitator, is met by

the declaration that the army never has

been used to suppress labor, and twice

in the past twenty years has it

been used in domestic affairs, and in

one case at least by a Democratic

The conviction of Henry E. Yontoy

justice and humanity. It is a

partisan judge and jury, and under

conditions where it is not possible

to accord him common fairness,

but it is brutal and inhuman to re-

fracture "railroad" his case through

while the defendant is on a sick bed

and half, if not wholly, insane from

a proceeding is a blot upon the Com-

monwealth of Kentucky and a dis-

grace to American institutions. (The

Miningham (Ala.) News, (Democratic).)

The gold in the United States Treas-

ury Friday amounted to \$451,477,404,

the highest point ever reached since

the foundation of the Government.

This is said to be the largest gold

fund in the world. This, it should

be remembered, is under Republi-

cans Administration. Now, please

compare it with the Treasury of the

state of Kentucky, where there isn't

a dollar of gold, silver, paper, or any

other kind of money. The latter, it

should also be remembered, is under

Democratic Administration.

It will be well for some people in

Mayville and some people in Mason

county to keep in mind the following

provision of the amended law under

which the coming election will be held—

Sec. 15. Any person or persons who

shall unlawfully attempt to prevent,

or prevent, any voter from casting his

ballot, or shall attempt to, or attempt

to, any person or voter so as to pre-

vent him from casting his ballot, or

who shall unlawfully interfere with

the officers of election in the discharge

of their duties as such, shall be guilty

of a felony, and upon conviction,

be confined in the Penitentiary

for a period of years not less than

one nor more than five years, for each

offense. The fact that the person

or persons so offending may be an offi-

cer or officers of the Federal Govern-

ment, or of the state, or any district,

county, town or city thereof, or of

election, shall not relieve them of the

responsibility or penalty for the viola-

tion of this section.

The Louisville Post says it is

learned on perfectly reliable infor-

mation that the managers of the Demo-

cratic state campaign are sending out

many thousands of copies of the op-

inion delivered some months ago by

that eminent Police Court barren-

ter, ALON KORY, in which Mr. KORY

stated that an election for Governor

this fall would not be valid, and that

under the law young Mr. BECKHAM

should be continued in office for the

next three years.

Of course there can be but one ob-

ject in scattering these documents

broadcast over every county in Ken-

tucky. Foreseeing the defeat of their

candidate the Beckham bosses are

preparing to raise the contention that

the coming gubernatorial election is

not valid and to retard the inaugura-

tion of JOHN W. YERKES.

NEW FORM OF BALLOT.

The Republican Emblem and Circle

Properly Stamped For a

Republican Vote.

The new election law requires voters

to stamp inside a circle under the em-

blem of the ticket they desire to vote.

The above circle under the Log Cabin

emblem is properly stamped for the Re-

publican National, State, District and

local ticket.

Under the new law the polls open at

6 o'clock A. M.—one hour earlier than

under the old law—and close at 4 p. m.

## DAMAGED BY RAIN.

Storm the Severest Ever Experienced in La Crosse, Wis., and Vicinity.

## NO EASTERN TRAINS FOR 24 HOURS.

La Crosse River Marshes Are Flooded and the Hay That Escaped Last Flood Destroyed.

A Family Sought Refuge in a Tree, Where They Remained Until Rescued the Next Day—Dams in Lake Como Broke.

LaCrosse, Wis., Oct. 29.—In the 24 hours preceding 8 o'clock Sunday morning seven and a half inches of rain fell in this city. The storm was the severest ever in this city, although it is generally felt within a radius of 50 miles from LaCrosse. The LaCrosse river marshes are flooded and most of the hay that escaped the last flood has been destroyed. On H. Goodard's farm, the house was undermined and the family sought refuge in a tree, where they remained until rescued Sunday. The Green Bay road has a washout on the marshes which will require some days to repair.

**Lake Almost Disappears.**  
At Hokak the dam in Lake Como broke Sunday and the dam has almost disappeared. There is a great deal of damage in the country. Electricity damaged the LaCrosse knitting works to the extent of several thousand dollars.

Minneapolis, Minn., Oct. 29.—A special from Sparta says: The heavy rains of Saturday and Sunday night have raised the streams in this vicinity as far as to cause the water to flow over the bridges and other property. Many washouts on railroads are reported. No trains are expected in before Monday night.

## SEVERE STORM.

Much Damage to Railway Tracks at Winona, Minn., and Vicinity—Traffic Abandoned.

Winona, Minn., Oct. 29.—This city and vicinity were visited by the worst storm in many years at this season of the year, lightning doing considerable damage in the city, and the railroads suffered considerable loss of account of washouts and high water. The Chicago & Northwestern had 1,000 feet of track washed out near Rockland, Wis., and 1,000 feet near Salem, Wis. The Chicago, Milwaukee & St. Paul road had two washouts. All passenger trains on the river division of the Milwaukee are abandoned.

## AS TRADE UNIONISTS.

Postal Clerks of Chicago Affiliated Themselves With the American Federation of Labor.

Chicago, Oct. 29.—Post office clerks of Chicago Sunday entered the ranks of the trade unionists. The clerks have affiliated themselves with the American Federation of Labor and the new organization will be the "Chicago Post Office Clerks' Union." It is claimed that practically all the 1,400 post office employees in Chicago are included in the movement.

Foremost among the objects of which the new union is to strive will be the adoption of the eight hour work day for letter carriers in Chicago and throughout the country. Another object to be given almost equal prominence will be the working up of an agitation in favor of federal execution that will fix absolutely the rate of wages for letter carriers and other post office employees, taking that matter completely out of the hands of the "promotion boards" and other similar agencies.

It is to be a labor union pure and simple and will direct its efforts solely to the problem of bettering the lot of the rank and file of the post office employees.

## THE GAS EXPLODED.

Terrible Accident During an Entertainment in the First Presbyterian Church, Austin, Ill.

Chicago, Oct. 29.—An explosion of acetylene gas that was to be used for a stereopticon entertainment wrecked the interior of the First Presbyterian church in Austin Sunday night, and the operator, George W. Leitch, recently returned from missionary work in India and Ceylon, lost his right hand and sustained other injuries.

The accident occurred while arrangements were being made for a stereopticon lecture by Mr. Leitch on "Ceylon and India." The gas was in two cylindrical tubes about four feet long. One of the tanks sprang a leak and the light that was in the lantern ignited it, causing an explosion.

**Editor John M. Fleming Dead.**  
Knoxville, Tenn., Oct. 29.—Col. John M. Fleming, for many years editor of the Knoxville Tribune, and later of the Sentinel, died Sunday night at the East Tennessee hospital for the insane, where he has been for the past seven years. He was a noted Confederate soldier and a prominent politician.

## PLAGUE-STRICKEN NATIVES.

Harrowing Recitals of Suffering Come From the Siberian and Alaskan Coast.

Minneapolis, Minn., Oct. 29.—A special from Dawson, October 11, via Tacoma, October 23, says: Recitals of the sufferings of the plague stricken natives of the Siberian and Alaskan coast and the lower Yukon, by travelers who reached Dawson two weeks ago, picture these natives living in awful misery that may be compared with that of the disease and famine-burdened people of India.

## Graphic Pictures.

Graphic pictures of the sufferings of a small part of the stricken on the lower Yukon, which will serve as a sample of the misery in which these human mortals drag out an existence of affliction on the American continent, is given by Rev. John H. Riene, in charge of the Catholic missions and churches of Alaska who has arrived at Dawson en route from the mouth of the Yukon to his headquarters in Juneau. He says:

**Death Would Be a Relief.**  
"The condition of the natives is so miserable that I cannot say death would be a relief to them. On entering the tent one sees a man, his wife and three or four children and a number of dogs lying on the floor, lying on a thin mat on the damp ground, all prostrated and afflicted by the plague. All are coughing up blood and bile and vomiting. Many runs from the eruptions on the eyes and nose, unless some exist on the flesh, and to aggravate their misery infuse their energy into the night. The disease is a kind of infectious gripple or complication of influenza, measles and typhoid fever."

## Many Deaths From the Disease.

Sixty died at Holy Cross alone. There were 60 children in the mission at Holy Cross, all of which were more or less afflicted, but good care was given all but ten, in a few cases from dying. Sister Mary Josephine, of Sacred Heart, who had been suffering from heart disease, overtaken by the plague, died. The government furnished some assistance to the suffering natives but it was inadequate and now, with the epidemic and other native, the prostrated Indians find themselves without their customary means of food from fishing and the chase, and the closing of the winter is the coming of the keen winter."

## ANOTHER MURDER MYSTERY.

The Body of a Young Woman Found Floating in the Ohio River—Near Pittsburgh, Pa.

Pittsburgh, Pa., Oct. 29.—The mystery connected with the finding of the body of Miss Emma Segmeyer floating in the Ohio river, which was found Saturday, deepens as investigation proceeds. Miss Segmeyer, who was 28 years old and of good family, was the house of her mother in Glenfield on October 19 to visit an aunt at Sewickley. The mother, supposing her daughter was with the aunt, started working on the boat, but was found. She says there was no known cause why her daughter should have committed suicide. She was a faithful member of the church, engaged to be married and apparently very happy.

## Face and Head Badly Battered.

Foul play in the case is indicated by the fact that the body of the young woman was found in the water on the opposite side of the river from her home, while the stage of the river since her disappearance has been so low that it would be impossible for the current to carry the body across the stream. In addition to this, the face and head of the victim woman was found to be battered. The local authorities on the river are making a searching investigation.

## ORANGE RIVER COLONY.

The Boers Have 15,000 Men in the Field—They Are Divided into Small Commandos.

London, Oct. 29.—According to a dispatch from Cape Town to the Daily Mail, a force of Boers attacked and surrounded a patrol of Cape police with a convoy near Hoopstad, Orange River colony, last Wednesday, and a sharp fight ensued.

"The police," says the correspondent, "were compelled to abandon two machine guns. The Boers, however, by the teamwork, they succeeded in getting away with the convoy, but they lost seven killed, 11 wounded and 13 taken prisoner. The Boers numbered two to one, and the engagement lasted for two hours."

The Boers have 15,000 men in the field, nearly half of whom are in Orange River Colony. These are divided into commandos of some 300 each, but are capable of combination for large operations."

## Dewey's Brother Dead.

Montpelier, N. Y., Oct. 29.—Edward Dewey, brother of Adm. Dewey, is dead at his home in this city. He had been ill several months with kidney trouble and had been in the hospital for some time. He was 71 years of age. He served in the war as quartermaster of the 5th Vermont regiment.

## Candidate Dropped Dead.

Pearis, Ill., Oct. 29.—George Blake, Democratic candidate for congress in the Eleventh district, dropped dead at the conclusion of a speech at Dan. He had been in perfect health.

## HEROIC FIGHTING.

A Detachment of Americans Attacked by 400 Insurgents Commanded by a White Man.

## REBELS WERE MOSTLY ENTRENCHED.

The Enemy Were Driven Off, 75 Being Killed, After an Engagement of Two Hours.

Capt. Begler and Three Privates Were Slightly Wounded, and Two of the United States Force Were Killed.

Manila, Oct. 29.—While scouting near Luc a detachment of the Twentieth and Twenty-eighth regiments, under Capt. Begler, was attacked by four hundred insurgents armed with rifles under the command of a white man whose nationality is not known to the Americans. The insurgents for a short time were victorious.

After an heroic fight Capt. Begler drove off the enemy, killing more than 75. The fight lasted more than two hours. The Americans lost three privates were slightly wounded, and two of the Americans were killed.

**A Detail of 334 Infantry Attacked.**  
Reports from Gen. Young's district show that insurgents had been active there, owing to the fact that recruits are going thither from the towns. While a detail of the 33d volunteer infantry was returning from Rauged on raft it was fired upon by insurgents. Sergt. Berdastler being killed and two privates wounded.

## FAGIN, THE RENEGADE.

Under His Command 150 Insurgents Attacked a Civilian Launch, But Were Driven Off.

Manila, Oct. 29.—A civilian launch towing a large loaded with merchandise near Arayat was attacked by a force of 150 insurgents under David Fagin, a deserter from the 24th infantry. Capt. Begler's troops, upon hearing the firing, turned out in force before the boat could be looted and captured.

Fagin, who holds the rank of general among the insurgents, has sworn special enmity towards his former comrade. Of the 20 men he captured a month ago seven have returned. One was killed in a fight, his body being horribly mutilated.

## Former Commanders Threatened.

Fagin sends messages to his former comrades threatening them with violence if they become his prisoners. It was Fagin's men who captured Frederick W. Alstetter, who is still a prisoner.

Gen. Hall's expedition with a force of nearly 600 men through the mountains of Binangonan, province of Infanta, in pursuit of the insurgent Gen. Calles, although it discovered no trace of the enemy, encountered great hardships on the march. Twenty Chinese porters died and 40 men were sent to the hospital. Fagin is stationing a garrison of 250 men in Binangonan and visiting Polio island, off the coast of Infanta province, Gen. Hall, or his forces, were embarked there on the transport Garzone.

## BLUE-STEM WHEAT.

Twenty-Five Thousand Bushels to Be Shipped From Lewiston, Ore., to Chicago.

Lewiston, Ore., Oct. 29.—Twenty-five thousand bushels of bluestem wheat was sold here Saturday for Chicago delivery. The first shipment was made over the Northern Pacific Sunday. The local market on bluestem is 43 cents, and the freight rate to Chicago is 36 cents per bushel. The seller does not give the price list, but it is to be two or three cents better than the market price. This shipment is the first made from the extreme northwest to Chicago this season.

## More Gold From the Klondike.

Seattle, Wash., Oct. 29.—The steamer Dolphin arrived from Skagway Sunday with 130 passengers and \$200,000 in gold from the Klondike. The Klondikers came up the river on the Zealandia, leaving Dawson October 14. The river was then full of floating ice for 100 miles and the weather was bitterly cold. Two small steamers left two days later, and are now winter-bound on Lake Labarg. River navigation is over for the season.

## Chrysanthemum Exhibition.

Pittsburgh, Oct. 29.—Probably 15,000 persons visited Schenley park Sunday to witness the annual exhibition of chrysanthemums at the Phipps conservatory. In years past the conservatory has given the Pittsburgh public the greatest chrysanthemum show ever seen in this country, but this year's promises, when at its height, to surpass them all.

## Hayes' Successor.

Montreal, Oct. 29.—It is stated on high authority Sunday night that F. H. McLaughlin, general superintendent of the Grand Trunk, will be promoted to the general management of the system in succession to Charles H. Hayes resigned to accept the presidency of the Southern Pacific.

## At the Seattle Assay Office.

Seattle, Wash., Oct. 29.—A total of \$20,169.47 worth of gold dust and bullion has been received at the Seattle assay office during the present year.

## CAN'T AFFORD TO INCREASE.

The Milwaukee Colliery Will Not Resume Work—Firemen and Brokenmen May Strike.

Hazleton, Pa., Oct. 29.—The Lehigh and Wilkesbarre Coal Co., operating the Audenried, Honeybrook and Green Mountain collieries in this district, has not yet complied with the demands of the anthracite miners. It is said that the company will grant the concessions by November 1, when work will be resumed.

There will be no resumption of work at the Milwaukee colliery, which is operated by the A. S. Van Wyckle estate. Owing to an agreement with the Pennsylvania Railroad Co., the officials say they can not afford to grant an increase of ten per cent, and if the men return to work, they will have to be contented with the old rate of wages. The Van Wyckle Co. has granted the increase at its other collieries at Coleraine and Beaver Meadow.

## Will Not Take Back Strikers.

It is said that Calvin Pardee, owner of the Coleraine colliery, will not take back those men who struck before the mines were closed down by 500 marchers some weeks ago.

The allied troops of the Delaware, Susquehanna & Schuylkill railroad have submitted a number of demands to the railroad officials. The former demand 30 hours constitute three shifts and that they be paid \$7 for the same instead of \$5.10, which they receive at present. The broken demand an increase of ten per cent in their wages.

The engineers have no grievances. This railroad is owned by Cox Bros. & Co., which operates six collieries in this region and was built for the purpose of hauling coal from its mines to the tracks of the Lehigh Valley railroad.

## TERRIBLE CRIME.

Joseph Dolinski Arrested on Suspicion of Having Murdered Anton Lizi at Chicago.

Chicago, Oct. 29.—With a bullet in his brain, his throat cut from ear to ear, his face blackened beyond recognition, and one eye gouged out, a Bohemian doctor, brother to the burgomaster of Prague, Bohemia, was found dead Sunday in a ditch near Forty-third street and a river. Twelve hours later Joseph Dolinski, a Polish friar, was arrested for the crime.

When arrested Dolinski's clothes were covered with blood. Mary Lizi, widow of the murdered man, is also detained by the police. Lizi had been married but a few weeks. Dolinski had formerly been a sailor for her hand.

## A PASSENGER MISSING.

It Is Thought a Young Woman Who Registered as "Miss Martin" Jumped Overboard.

Savannah, Ga., Oct. 29.—The steamship Sacochee, from New York, arrived here Sunday, but the passenger missing, a young woman registered as "Miss Martin." She told Capt. Smith that she was a school teacher in New Jersey, but lost her position. To another passenger she said that she had become despondent since she had lost her position and that she intended to shoot herself that evening about 10 o'clock "Miss Martin" retired. Saturday morning she was missing. The only clue left was an umbrella on the handle of which was scratched "J. L. Malley, Casanova," and a ticket in her purse which had been purchased at Savannah, N. Y.

## Stricken With Paralysis.

## ADDED TO THE LIST.

Princes Yi and Ying Nien Have Been Selected by the Foreign Ministers for Execution.

## A PROVINCIAL TREASURER ARRESTED.

He Was Chiefly Responsible for the Ill-Treatment of the Rescued Missionaries at Ting Fu.

When Peace Is Restored Russia Will Hand Back to Its Owners the Tong Ku and Niu Chwang Railway.

London, Oct. 29.—Dr. Morrison, writing to the Times from Peking under date of October 26, says: "The foreign ministers in conference today decided to add the names of Prince Yi and Ying Nien to those of the seven officials whose execution France has demanded."

"It is said that the commander of the allied troops at Pao Ting Fu has arrested the provincial treasurer, who was chiefly responsible for the ill-treatment of the rescued missionaries."

The St. Petersburg correspondent of the Daily Express claims to have authority for the statement that when peace is restored Russia will hand back to its owners the railway from Tong Fu to Niu Chwang.

## Will Not Interfere With Russia.

Berlin, Oct. 29.—The Berliner Post published Sunday an inspired article devoted to showing that the Anglo-German agreement will in no way interfere with Russia's interests in Manchuria.

"If England had not arrived at an agreement with Germany," says the Post, "she would have been compelled to do so. Russia. This would have been a serious blow to German trade. Germany in her capacity of an honest broker has served Russian interests."

Vienna, Oct. 29.—The semi-official Politische Correspondenz asserts that France and Russia, after discussion, have decided to accept the Anglo-German agreement.

## In a State of Stagnation.

London, Oct. 29.—The Chinese embargo is in a state of stagnation. Shanghai news renewed rumors that the court, now at Shun Fu, is sending agents to collect funds in the southern and central provinces. Advice from Pao Ting Fu give harrowing accounts of the sufferings of missionaries at the hands of Boxers; and it is reported that ten missionaries are still at Cheng Ten Fu.

The correspondent of the Morning Post at Pao Ting Fu, writing October 20, says: "The Boxers declare that the provincial treasurer has ordered the arrest of all foreigner. He allowed 11 American and four British to be massacred."

## WHOLE DISTRICT MINED.

The Unexpected Arrival of the Russian Troops Prevented Wholesale Destruction.

St. Petersburg, Oct. 29.—The Russian sappers who were employed to dig out the district mines at Mukden, official dispatches say, found the whole district mined; and it was only the unexpected arrival of the Russian troops that prevented wholesale destruction. A special committee was appointed to investigate.

The advice also say that the provincial treasurer expected and that the Chinese government had been looting extensively, their booty including the Manchurian throne, extensive libraries, collections of pictures and classical archaeological objects, all of great value.
